Frederick County Health Department

MISSION

The mission of the Frederick County Health Department is to improve the health and well being of the residents of Frederick County through programs that prevent disease and illness, promote wellness and safety, and protect public health.

ADMINISTRATION & GENERAL INFORMATION 301-600-1029

CERTIFICATES (available on a walk-in basis)

Certified copies of birth certificates—can be issued to those who were born in the state of Maryland from the year 1939 to the present; only the individual or parent listed on the certificate can obtain the certificate unless one has documentation of legal guardianship or a notarized letter of permission; each individual or parent of an individual must appear in person to fill out an application and will need to have a valid government issued photo ID; if one does not have a valid ID the certificate will be mailed and two alternative pieces of documentation will be required (call for details).

Fees: \$30.00 per certificate (cash or credit)

Hours: Monday—Friday from 8:00 A.M. to 4:00 P.M.

MEDICAID TRANSPORTATION PROGRAM
(301) 600-3101 / (301) 600-3112

Active Medical Assistance (MA) recipients who live in Frederick County and do not have access to public or personal transportation are eligible to use MA shared ride transport services for non-emergency transportation to and from medical appointments and treatments.

COMMUNITY HEALTH SERVICES 301-600-1733

Family Planning and STD services have been contracted out to Planned Parenthood of Maryland.
(301) 662-7171
